

Visionaries

Founded in 1989 to support the Orange County Museum of Art's building fund and its educational activities.

Summer 2014

Presidents Letter

Visionaries is a great group of women! Without each one of you, we would not have been able to support Orange County in the education and appreciation of art. Our Museum is growing and our children are learning. You have made the Children's Art Tours happen through your dues to Visionaries. The children can bring the rest of their family on our supported Free Second Sundays. So little to give for so much. Thank you. This past year we have put our dues together and given the Museum \$85,000 for the programs I've mentioned and another \$5,000 for an exhibition. The dues we just collected will increase the amount we will be able to give in the coming year or bring up the amount in our building fund for our new Museum. I'm excited about Visionaries future and...we have had so much fun on our several day trips, our trip to New Orleans guided by our own Chief Curator, Dan Cameron and look forward to the upcoming trip in September to Italy, our

Art Studies program, the Art Auction, Holiday Luncheon, Art of Dining, Teas, Life Member Luncheon and several exhibition tours. It's wonderful to be with friends, make new friends and have a great time all at the same time. We have just welcomed nineteen new members and one new Life Member. My many thanks go to my Visionaries Board. You are all smart, amazing women! It has been my honor and privilege to serve with you. We all give a big welcome to our new incoming President, Teri Kennedy, and the 2014-2015 Board.

Have a wonderful summer!

Sincerely,

Brenda Currie
