Visionaries Spring Lecture Series THE CULTURE OF ART AND DESIGN, 1920 - 1950

The 2015-16 lecture series will explore the most exciting decades of the 1920s to 1950s when the world became "modern." We will examine not only the exciting art and architecture of these periods but the culture that brought us modern women, like Gertrude Stein and fashion innovators such as Coco Chanel.

Classes are scheduled to begin in the Fall of 2015.
Further details to follow.

SUMMER 2015 VOL 24 NO 4

Celebrating Our 25th Year - Visionaries Are Committed to the Art Education Programs of OCMA

TERI KENNADY
President of Visionaries

PRESIDENT'S LETTER

If a picture can say a thousand words, take a look at this picture-filled Newsletter! It just demonstrates all the great things that we, as Visionaries, do.

We have had a full year visiting collections, seeing exhibits, and exploring new museums. We have had great parties at the holiday and this June. And don't forget how enlightening the Monday Visionaries Lecture Series have been. Thank you to our members for making great recommendations, and thank you to our Board for creating so many outstanding events.

Summer is around the corner and it's down-time for the Board, but the Fall will be here quickly enough and we will be up and running then. We're already planning for a busy year in 2015-16. Enjoy your summer, and thank you for supporting Visionaries and the Orange County Museum of Art.

Todd D. Smith speaking with our group at Crystal Bridges

On April 10-12 the Visionaries traveled to Arkansas on our annual out-of-town trip which was organized and chaired by Joyce Cassell and Polly Stemler. It was a fabulous three-day adventure to Bentonville, Arkansas to view the Crystal Bridges Museum of American Art, stay at the contemporary 21C Museum Hotel, and visit the George Dombek studio and gallery nestled within 16 acres of the Ozark woods. Of course, we had some wonderful meals together as well...including Southern fried chicken! Guests were welcomed, so you'll see some family and friends in the photos.
